Policy Document for NEP 2020 Implementation

Introduction:

Lakhipur College is determined to follow the guidelines provided for the implementation of NEP 2020 for the holistic development of students. Though it faces various challenges regarding this, but the teaching-non teaching staff is very much determined for the implementation of NEP 2020 in the college.

Objectives:

1. Moving towards a multidisciplinary undergraduate education
2. ~~Promote skill development among the students.~~
3. Promote multilingualism
4. Promote the holistic development of the teaching-non teaching staff along with the students
5. ~~Promote the Indian Knowledge system~~

Multidisciplinary/interdisciplinary approach:

To be prepared for NEP 2020, the higher educational Institutions need to develop a multidisciplinary/interdisciplinary approach. In Lakhipur College the faculty members from different departments work together and share their knowledge and expertise in order to come up with a comprehensive plan that will address all aspects of the challenge. The College also organizes different add on/ certificate courses to deal with the interdisciplinary aspect. Moreover the college follows the guidelines of Gauhati University regarding the multidisciplinary/interdisciplinary approach of NEP 2020.

Skill development:

For Skill Development Lakhipur College has taken introduced various add on/ certificate courses for the students, such as- certificate course on communication skills, Power point presentation skills, make up courses etc. For skill development the College has initiated various best practices as well – gardening, vegetable gardening, preparation for entrance exams etc.

Focus on Outcome based education (OBE):

Outcome based education is one of the main principles of NEP 2020. Lakhipur College has always followed outcome based education system with lesson plan, teaching plan etc. The faculty members take initiative in letting the students know about the outcomes of the curriculum.

Academic bank of credits (ABC):

The Academic Bank of Credits (ABC) is an important part of NEP 2020, which helps students have more flexibility in their studies. We at Lakhipur College follow the rules set by Gauhati University for the ABC. This system lets students collect, keep, and move their credits earned from different sources like college programs, apprenticeships, and online learning. It's all to make sure students can easily manage and transfer their credits, and we make sure to do it the way Gauhati University recommends.

Provisions for the holistic development of Teaching and Non-Teaching Staff:

The college encourages the teaching and non teaching staff to participate in various Faculty Induction Program/ Refresher Course on NEP/ Short Term Courses/ Induction Program/ workshop/ Lectures etc. to keep updated with the latest educational guidelines and technologies for the smooth implementation on NEP 2020.

Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):

Integration of Indian Knowledge system is one of the basic criteria of NEP 2020. Lakhipur College is located in a multilingual-multicultural region. The institution has taken various initiatives in promoting the integration of Indian Knowledge system, teaching in Indian language, culture etc. The college has organized programs for preservance of mother tongue. The college has also organized different workshops for promoting the local culture and language.
