Policy Document

Policy for financial support to Teaching Staffs to attend conferences/workshops and towards membership fee of professional bodies:

Lakhipur College, Lakhipur emphasizes that research and quality enhancement in the teaching and learning process lead to classroom excellence. Globally and nationally, there have been significant reforms to the educational system that have improved accessibility to learning. Teachers must become more adaptive, versatile, and diverse as a result of these developments. The purpose of this policy is to help faculty members advance their academic careers.

Objective:

The objectives of the policy are:

- To encourage the faculty members to adopt a research-oriented mindset.
- To establish a research-intensive environment to emphasizes research in the college.
- To motivate the faculty members to present their work in the relevant research community.
- To encourage and inspire faculty members to apply for financing from different funding bodies for research, outreach/extension projects, or nationally acclaimed UGC programs.
- To encourage the teaching members to become members of professional associations.
- To assist the faculty members in enhancing their scholarly qualifications.
- To use research activities to improve society's all round development.

Nature of assistance available:

- Academic members will receive financial assistance for attending workshops, conferences, and seminars.
- They will also receive financial assistance for joining professional associations.
- The fund position will determine the type of financial help provided and repayment may be either whole or partial.

Procedure for of availing the grant:

- A faculty member must submit an application to the principal with information on the program to get the financial support they wish to attend.
- The concerned faculty member must submit the participation certificate and any other pertinent documentation to the IOAC following their attendance at the program.
- The accounts department will reimburse the fee following proper document verification.

N.B: The policy may undergo periodic review if required

Greetings from ICT Academy!

Respected Ma'am / Sir,

This mail is intended to bring to your kind notice that, ICT Academy is inviting higher educational institutions (Technical Universities, Engineering Colleges and Arts, Commerce and Science Colleges) to become an annual member of ICT Academy thereby developing the Industry Institute Collaboration, Faculty & Students on emerging technologies.

About us:

ICT Academy is an initiative of the Government of India in collaboration with the state Governments and Industries. ICT Academy is a not-for-profit society, the first of its kind pioneer venture under the **Public-Private-Partnership (PPP)** model that endeavors to train the higher education teachers and students thereby exercises on developing the next generation teachers and industry ready students.

ICT Academy was started to meet the skill requirements of the industry and generate more employment especially in tier 2 and 3 towns, the rural parts of the country. The organization was formed with representations from the State Government of Tamil Nadu, leading companies in the ICT industry and National Association of Software Services Companies (NASSCOM) in India.

With training of teachers and students as the primary objective, ICT Academy has been working through a **'Seven Pillar Program'** in the areas of Faculty Development, Student Skill Development, Entrepreneurship Development, Youth Empowerment, Industry-Institute Interaction, Digital Empowerment and Research & Publications.

In the last 10 years, ICT Academy has strived on every aspect to provide a holistic service to every stakeholder of the education ecosystem in developing the next generation of talent pool in India to make them industry ready employees, innovators, entrepreneurs and leaders.

ICT Academy is recently endorsed and recommended by NITI Aayog (National Institution for Transforming India Aayog), the National Planning body of Government of India as one of the unique organization for dissemination and replication, which is aligned to the Skill India Vision of the Government of India.

Through its various initiatives, ICT Academy has been part of strengthening India's four important visions on Skill India, Digital India, Startup India and Make in India.

This membership is offered only to 50 select institutions in a calendar year and this year we have given our consent to membership privilege to your esteemed institution. We wish to congratulate and are happy to offer you the 'Member of ICT Academy' for the next one year.

<u>Membership Benefits:</u>

1. <u>**Faculty Development Initiatives**</u> - Advanced Technology training programs and expert led workshops for the faculty members. ICT Academy would host min of one technical & one non-technical training program at your college premises and train min of 20 faculty members in a year.
(http://www.ictacademy.in/pages/faculty-development.aspx)

2. <u>**Students Skill Training**</u> - Training of the students through direct model on the niche technologies and soft skill thus equipping them with the industry certification at a subsidized cost and through making a min of 100 students as industry certified person, college can set up the **'Center of Academic Excellence'** and Free fundamental courses and certifications through our **"Skilledge"** Initiative.
(http://www.ictacademy.in/skilledge/)

3. <u>**Industry Institute Collaboration**</u> - College can obtain partnership with leading technology companies through ICT Academy - Corporate Academic Alliance Program. This enables to avail the resources like software, web contents, tools and learning materials as part of the academic alliance program.
   a. **Oracle Academy**
