POLICY DOCUMENT ON GREEN CAMPUS OF THE COLLEGE

Introduction:

Lakhipur College is committed to a sustainable and environment friendly campus. This Green Environment Policy outlines our dedication to promoting environmental awareness, and engaging the college community in sustainable practices.

Objectives of the College in regard to green campus

1. **Reduce Carbon Footprint:**
 - Encourage the use of renewable energy sources.
 - Promote sustainable transportation options.
2. **Waste Reduction:**
 - Establish a comprehensive recycling program.
 - Encourage the use of reusable products.
 - Minimize single-use plastic on campus.
3. **Biodiversity Preservation:**
 - Develop and maintain green spaces on campus.
 - Promote native plant species.
 - Implement practices that protect and enhance local biodiversity.
4. **Water Conservation:**
 - Implement water-saving technologies.
 - Encourage responsible water use among students and staff.
 - Maintain and promote efficient irrigation systems.
5. **Environmental Education:**
 - Integrate environmental sustainability to of the curriculum.
 - Organize workshops, seminars, and awareness campaigns.
6. **Collaboration with Local Communities:**
 - Establish partnerships with local environmental organizations.
 - Engage in community-based environmental projects.
 - Share resources and knowledge with the local community.
7. **Green Infrastructure:**
 - Promote the use of sustainable construction materials.
 - Implement energy-efficient lighting.

5. The institution has installed posters all over the campus regarding keeping the campus green and clean and to make the students aware about the environmental cleanliness.

6. The Non-Degradable wastes of the college are taken by the trucks of municipality so that the campus stays clean and green. There is an agreement signed between the college and the Municipal Board regarding the collection of Non –Degradable waste of the College Campus.
